## THE UNSPOILED BEACHES AND CULTURAL HIGHLIGHTS OF PALAWAN

*“Have an open mind, do not have preconceived notions, armed with this mindset, most likely you will enjoy what the destination offers...nature at its best”*

Day 01 Arrive Manila. Transfer to Midtown Hotel. Overnight

Day 02 Breakfast

Transfer to the domestic airport to take your flight to Puerto Prinsesa, the capital of Palawan and the jump-off point to either northern or southern Palawan. The second biggest city after Davao in terms of area because as far as Sabang and the St. Paul Subterranean National Park, 50 kms from the city centre still belongs administratively to the city. Transfer in to Trattoria Inn where accommodation is very basic. Rest of the afternoon free to visit interesting places like the Irawan Crocodile Farming Institute, whose goal is to protect threatened species of the Philippine crocodiles from extinction and the Iwahig Penal Colony. The “colonists” live here like in a normal village, there are no walls and the rate of reformed criminals are markedly higher than in traditional prisons. Overnight Trattoria Inn.

Day 03 Breakfast

0730h - Depart for Sabang via shuttle service which is a scenic 3 hours drive. A short boatride will take you to Panaguman Beach Resort with also very basic accommodation. Do not expect any luxuries during this entire tour because what we want to show you here is nature in its original form. Overnight.

Day 04 Breakfast

**UNDERGROUND RIVER TOUR** - St Paul Cave as it is properly known, is Palawan’s most fascinating network of caves. Carved by an underground river, the cave meanders for over eight kms. Nature has provided it with a bewildering variety of enormous stalactites, fragile-looking columns, smooth walled pipes, jagged caverns and big, impressive chambers.

Day 05 Breakfast at the resort. At leisure for soft adventure tour. Overnight

Day 06 Breakfast at the resort

0800h - Depart Panaguman Resort for Sabang and take your transfer back to Puerto Prinsesa. Overnight Trattoria Inn.

Day 07 Breakfast. Transfer to the airport for your flight back to Manila or you may move on to other destinations.
