Transfer to tricycles and enjoy an exciting 10-minute ride to Pagsanjan Rapids Resort. At the resort, you are offered a welcome drink of refreshing “buco” juice.

The fun begins as you board your dugout canoes that will take you to the falls. “Shoot the rapids” with expert boatmen traversing the turbulent waters and trying to outdo each other in a friendly, frenzied competition.

The exhilarating trip ends with a barbeque lunch at lagaslas along the river. Devour sizzling kebabs while listening to the running water.
